Okay, okay, we promised you the winner of the Girl of the Year vote in this issue and she isn't here. As we went to press, two girls were neck and neck, so we thought we'd check some hanging chads (or whatever) and let the last few votes trickle in. Hell, there could even be a recount. Regardless, the winner will definitely – *definitely* – be crowned in the next issue. And then we'll start thinking about the girls for next year's line-up... ♣

Dear Club,
Boobs, rack, mamms, cans, top cunts… there are countless slang words for my boyfriend's favourite part of a woman's body – her tits. Which is the reason why we got together I suppose, because mine are massive.

I met Charles in a beachside bar on holiday. Having just split up with my boyfriend, I needed to both drown my sorrows and score myself a good anger fuck. I was sitting on my own at the bar when this hunky bloke stepped up beside me and said, "Bourbon straight up, and make it a large one."

"That indicates you're feeling about as fucked-off as I am right now," I said to the guy. Then I extended my hand in greeting. "I'm Tiffany."

"Well hello, Tiffany," he replied. "I'm Charles, and to say that I am pleased to meet you would be a major understatement… oh and yes, I'm very pissed right now."

"Care to share?" I asked.

"Share what?" Charles replied.

"A booth, our problems…" I answered.

Charles didn't say anything. He was too busy staring at my boobs. "I take it you like them?" I asked.

He spluttered and said, "Wha… yeah, I mean… I'm sorry, that was really rude of me."

"Not at all," I told him. "In fact if you play your cards right, I'll share those with you too!"

To cut this part of the story short, in less than an hour we were back at my holiday apartment, where I had Charles strip and let me tie a blindfold over his eyes. Then I guided him to a chair and sat him down on it. Back at the bar I'd instructed him that if he wanted to play my game he couldn't speak a word. He complied, apart from the occasional gasp and moan. Like when, seconds after I'd sat him blindfolded in the chair I'd squatted down in front of him, cupped his balls in one hand, and slid his cock between my lips.

Where I was blessed in the tit department, Charles was in the cock one. His was enormous – at least a fat nine inches long, and boy, did it get hard. To be honest, it was the biggest cock I'd ever had the pleasure of, and I couldn't wait to slide it between my tits. So, after sucking Charles's knob for a few minutes, I did just that.

I took off my top and bra, and cupping my left boob in both hands, I said, "Open your mouth."

Charles responded immediately, so I started rubbing my red, erect left nipple across his lips. He groaned. Then, to hold it steady, I grabbed his head with one hand, feeding as much of my tit into his mouth as would go without choking him. "Breath through your nose," I said. "And suck."

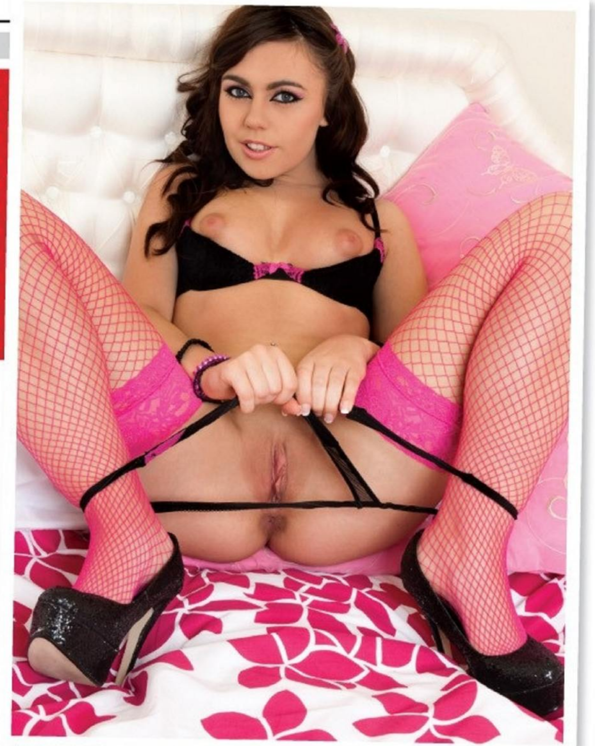
My entire body went into tingle overload as Charles sucked away. I desperately wanted to finger my sodden snatch, but both my hands were occupied. It was time to take things up a notch. I pulled my tit from his mouth and straddled him. I positioned myself on the head of his rock-hard rod, eased it just a little way into me – then I suddenly dropped. As soon my cunt hit Charles' balls, he yelped. I sat there and squirmed my cunt in a circular motion on his bone. As I did so, I started

BOB YOUR HEAD!

Dear Club,
I know you were making a fuss about Nina's shaven pussy (*Club* Vol. 41 No. 1) – and lovely it was too – but it was her hair up top that lured me in. I'm a sucker for a bob on a girl, something how that fringe frames the face beautifully. The best blowjob I ever had from a girl wasn't the sloppiest or deepest, but one where the girl had a fringe and her face looked a picture as she went down on me. All of which is to say: more Nina, please!
Michael, Finchley.

Good call, Michael, we love a bob haircut on girls as well and don't think they're anywhere near common enough. And you're captured one of the essential elements of a blowjob as well – half the fun is in watching it going on (and going in!).

Nina: Boxes clever!



RACEY KACIE!

Dear Club,
2011 was a vintage year for Reader's Girlfriends, but Kacie (*Club* Vol. 41 No. 1) topped it off perfectly. She looks small enough to pick up and plonk right on the end of your cock, and she's such a dirty girl I bet she'd love that. I love it when your Reader's Girlfriends become proper glamour girls, so hurry up and get Kacie back in *Club* – preferably with another hot British girl!
Daniel, Ilkley

We bumped into Kacie at our recent Winter Wonderland party and can confirm she's knee high to a grasshopper but has all the sex appeal of 10 hotties. In fact, a couple of glasses of champagne and she's the funnest thing on two legs (also, she doesn't wear knickers when she goes out – ever!)

slapping my tits across his face. He gasped. Then I started gasping as I could feel the first of that night's orgasms rising from the depths of my pussy. Mere seconds before it hit me I rammed one of my tits in Chad's mouth and said, "Suck me! Suck me hard!" At that very instant I came, screaming.

When I'd regained my senses, I climbed off Charles' cock, which I'm glad to say was still stiffer than a flagpole. So I took off the blindfold and dragged him over to the bed. I lay back on it and told Charles to straddle me. I pushed both my tits together, then said, "Slide that gorgeous meat-stick between these babies."

His dick was still slick with my cunt juice, which enabled him a friction-free entry. I told him, "Now fuck my tits and spunk in my mouth." After what I'd already put Charles through I knew it wouldn't take long, and in less that 60 seconds of full-tilt tit-fucking he'd coated the inside of my mouth with his muck. Mmm…

SHE'S GOT LEGS! ♣

...and they go all the way up to 11!

We love a tall girl here at *Club*. Girls like Angel Long tower over our puny frames, but Leanna here might be the most statuesque beauty we've had in *Club* for a while. Does she finds she intimidates men?

"Well, some men don't like to be with a woman who's taller than them," Leanna says, "although I have more issues with men who don't want to be with a woman who stars in porn films."

Ah yes, we've seen you in action.

"So have a couple of boyfriends, and they couldn't cope with the sight of me handling some pretty big dicks. So I'm single right now and looking for someone to wrap these legs around..." ♣

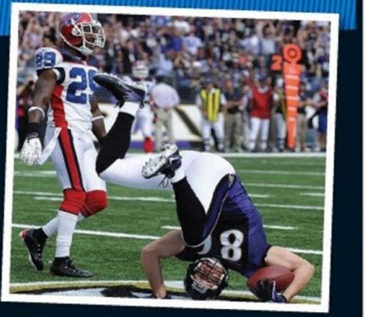
Club's Rough Guide

Ignore the gaping holes in his knowledge and let Matt Loxham guide you through what's hot and what's not on the winter sporting calendar...

Super Bowl XLVI – Indianapolis – February 5th

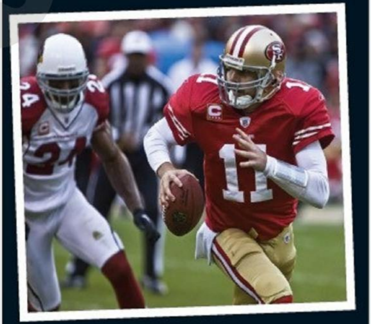


Love it or hate it, American Football always provokes a reaction from hardcore sports fans. Some marvel at the NFL's (the National Football League, the highest level of the game) bluster, pace and aggression, and will go to great lengths to explain the elaborate, intricate plays and technical complexities that they believe make 'Gridiron' so fascinating. While these people generally have a point, as a rule it's a good idea not to get stuck with them in the pub.

Others, however, are more than happy to slag the sport off. The knockers will mock the poncey uniforms: 'They don't have them in rugby', deride the frequent and lengthy stoppages: 'It's just so they can stick some more adverts in', and despair at the overblown nature of the spectacle: 'It's a bloody circus'. Or something like that...

Of course, both schools of thought have their merits, but I don't like to look at the game too closely. The way I see it is that American Football has given us the Super Bowl, the spectacular all-singing, all-dancing finale to the NFL season that provides an annual and perfectly legitimate excuse for being tired and hungover at work on a Monday morning, and for that reason alone it has to be respected.

This year, the event will be held at the Lucas Oil Stadium in Indianapolis, the first time the city has hosted a Super Bowl. Madonna is doing the half-time show – it's going to be brilliant. Unfortunately for the people of Indianapolis, however, their team, the Colts, stand absolutely no chance of being involved after losing most of their games so far in what has been an utterly disastrous campaign. At the opposite end of the spectrum, last year's Super Bowl winners, the Green Bay Packers, were unbeaten at the time of writing and had already qualified for the end of season play-offs.



Indeed, the race to Indianapolis is looking like something of a lop-sided affair. With the NFL divided into two halves – the American Football Championship (AFC) and the National Football Championship (NFC) – and the best team from each section meeting at the Super Bowl, there's always the chance of a mis-match between the two divisions, and that's very much how it's looking this year.

While in the NFC Green Bay are seemingly invincible and the San Francisco 49ers have a better record than any other outfit in the rival division, the most likely teams in the AFC such as the Houston Texans and the Baltimore Ravens are struggling in comparison.

Of course, there's always the chance of an upset on the day, and everyone loves a David and Goliath scenario, but it's difficult to see the rampant Packers not following up on last year's triumph. Indeed, the only thing more certain than a Green Bay victory is the fact that I'll be watching it – drinking beer at 3am on a school night and loving every minute.

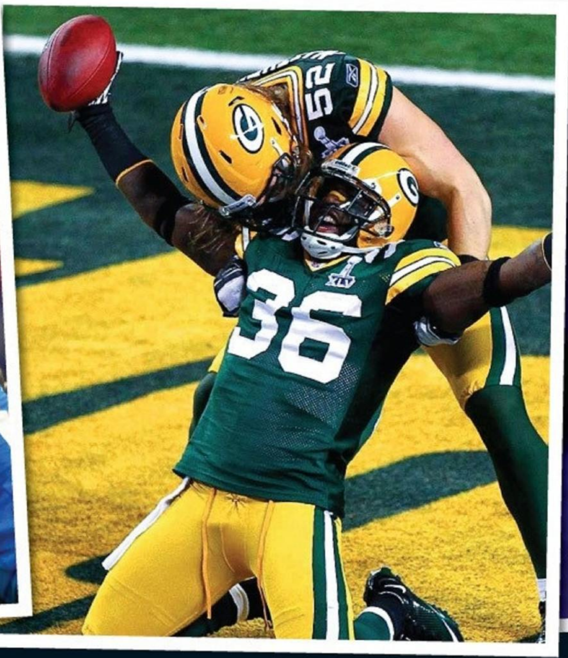
Club Predicts:
Winners - **Green Bay Packers**
Runners-Up – **Baltimore Ravens**

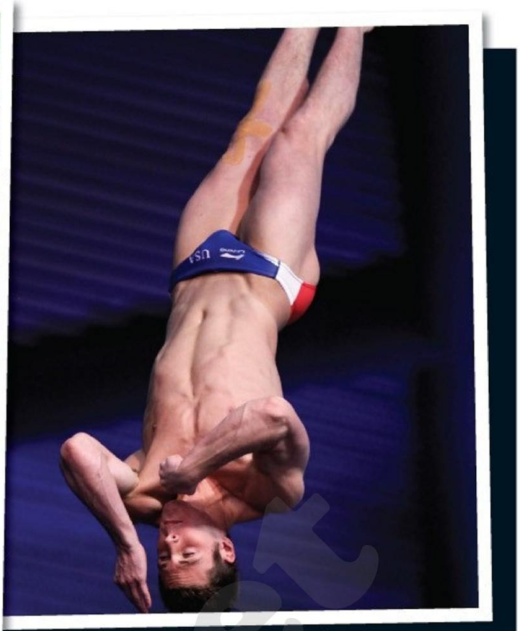
FINA Diving World Cup – London Aquatic Centre – February 20th to 26th

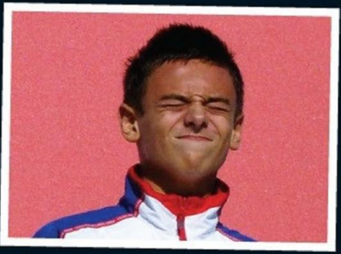
Although it's being billed mainly as a 'Test Event' for the Olympics as it will be trialling the new aquatic facilities built for the big London bash, the FINA Diving World Cup is actually a significant event in its own right.

Not only is it one of the most important competitions in the sport bar the Olympics, but this year it will also serve as a qualifier for the games, meaning every diver will be going all out to perform at their very best in order to earn a place at London 2012. What with this and all the triple-somersaults, double-tucks and quadruple flips it should make for quite the spectacle.

Despite the fact that diving is an entertaining sport to watch, I still think it's fair to say that us Brits wouldn't be taking much notice of this event if it wasn't for Tom Daley, or 'little Tom Daley' as people are wont to call him. After he won gold at the World Aquatics Championships in 2009







in Rome aged just 15, Daley has become one of our most popular athletes, not to mention a major medal hope for both the this event and the Olympics.

Daley specialises in the 10 metre platform, a discipline currently dominated by China's Qiu Bo who, just for the record, isn't Subo's brother. Daley will have to be at his very best if he is to topple the reigning World Champion, and when you factor in America's David Boudia and Germany's Sascha Klein it's difficult to underestimate the task faced by the pocket-sized Plymouth-born pool-plunger.

Another chance of a British medal comes in the 10 metre synchronised diving event, where Daley competes alongside Max Brick, which, to be quite frank, is a terrible name for a diver. The pair bagged gold at the 2010 Commonwealth Games and they'll be hoping for similar at the World Cup. Putting Tom Daley to one side for a moment, on the 3 metre springboard it might be worth looking out for Jack Laugher, a sixteen year-old who has been tipped to be the, ahem, next Tom Daley.

Club Predicts:

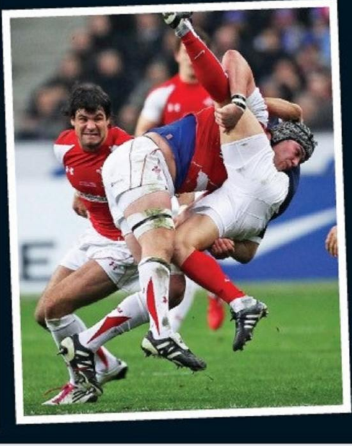
Winner - **Qiu Bo**
Runner-Up – **Tom Daley**

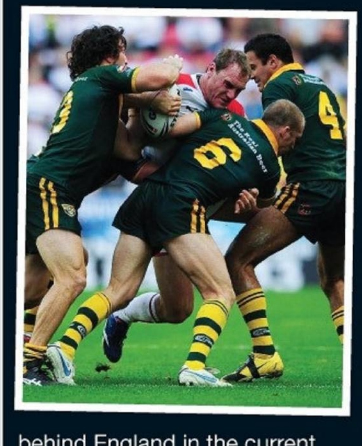
Six Nations Championship – Various Venues – February 4th onwards

After the debacle that was the Rugby World Cup in New Zealand, the recent resignation of manager Martin Johnson and the retirement from the international scene of former captain Lewis Moody, English rugby union is in complete turmoil, to the extent that last month the Rugby Football Union's 'Elite Director' Rob Andrew had to come out and apologise for the mess.

With this in mind, England's opponents in the forthcoming Six Nations Championship will be rubbing their hands in glee, especially Scotland, who get first crack at the ailing Sassenachs on home turf in their opening game of the tournament.

Despite the fact that England won the Six Nations last year and still possess a talented squad, as it stands they will start as one of the more unfancied teams. As well as being a reflection of just how pear-shaped the 2011 season went, this is also down to the simple fact that most of the other teams are improving. France reached the World Cup final and only lost by one point to the mighty All Blacks. Wales stunned everyone by reaching the semi-finals, beating an Irish team that had showed their obvious ability by defeating Australia at the group stage.





It might be argued that only Italy and Scotland sit behind England in the current Six Nations pecking order, and only just for that matter. Scotland have come on in leaps and bounds in recent months, pushing Argentina and England and only just missing out in the group stages in New Zealand, and despite having a disappointing World Cup Italy recently showed their ambition in the game by announcing they would be playing all their Six Nations matches at the 82,000 capacity Stadio Olimpico in Rome. Expectation is high.

> **"After the debacle of the Rugby World Cup, English rugby union is in complete turmoil"**

However it plays out, the Six Nations Championship is all set to be a particularly fascinating tournament this year, although it might not be that much fun for the English.

Club Predicts:

Winners – **France**
Runners-Up - **Wales**

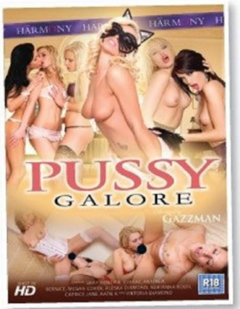
Pussy Galore

(Harmony)



Harmony take a break from pumping out top notch fuckfests to show they're not too shabby when it comes to the all-girl action as well. Gazzman takes the reins, although a blind man with Parkinson's could have got wankable action out of Shay Hendrix, Megan Coxxx, Eufrat, Aleska Diamond, Katie K and more besides. Brit sort Katie seems to have gone more blonde and trimmed down, but she hasn't forgotten how to wield her tongue and a toy. Shame she's still up there on the 'girl we most want to see on the end of a cock' list for the 4th year running.

Anal Russian Teens Love Creampies

(Private)

We wondered what Anal Russian Teens loved, and now we know. Of course, whether or not they can get regular creampies in their country is anyone's guess, although we reckon they can get a bumful of spunk upon payment of a hefty bribe. Russian porn has been on the rise, and here's why – they all take it in the arse like champs. Slim blonde Dulsineya is the pick of the bunch, although Katy and Grase appear to have bums with TARDIS-like properties as well. ★★★

They appear to have given up making their own big-budget masterpieces (credit crunch etc.), but Private are pumping out some great material from Magik View Entertainment at the moment, starring the cream of the current Euro stars. Anal expert Aleska Diamond headlines here, with strong support from Abbie Cat, Silvie Deluxe and the boobilicious Mandy Dee. ...when she's having fun!

A hot girl, some kinky boots, a riding crop, some chains – so that would explain why we all have erections...

"I'm not a really kinky girl," confesses Timea, "just a little bit kinky. I like to dress up, I like to role play, I like a bit of spanking, but at the end of the day I just like to get down and fuck, I don't want to play games for hours."

You're a girl after our own heart. Who wants orgasm denial or cock and ball torture when there's sex to be had?

"Exactly. Even when I'm role playing and dominating a guy, I really can't wait just to fall on his cock and stuff it in all my holes. Although in this day and age, it's not really kinky to confess that you take it in every hole, is it? It's par for the course now."

It might be Timea, but we still like to hear you say it. Which is why we have erections... ♣

Isis is worth the climb...

Isis is a big favourite here at Raymond Towers, and seemingly with you lot as well, so we had to invite her back. Of course, we made sure the lift was mysteriously ‘out of order’ the last time she visited us, just so we could follow her up the 3 flights of stairs to the *Club* office. Trust us, that bum going up stairs is a sight for the ages.

So how best to capture that? Erm, how about a photo shoot where we get her starkers on some steps? Yep, it took us ages to think of it, but it was staring us in the face all along. Pretty much like Isis’ amazing arse was as we trudged up the stairs after her. Right, she’s gone now, let’s get the lift switched on again. We’re not bloody athletes... ♣

The problem with a piece of kit like this is that it's only worth buying if the rest of your gear is up to spec. If you've got low-level hi-fi equipment courtesy of the fine people at Alba or Bush, then this beast is going to go to waste. But if you're the kind of man with the best of everything (and by that we definitely don't mean just the latest piece of frippery from Apple), this'll fit nicely into your set-up. It's a big old receiver, but packs in features galore and still looks sleek. Despite our earlier comments, you'll be happy to know it also works perfectly with the inevitable raft of Apple products many people opt for these days. Pair this with the right gear and you're in for some top end audio delight.
Pros: Lovely specs, top notch compatability, nice sound.
Cons: Cheaper alternatives abound if you're not high-end.

Motorola Razr
£450
www.motorola.com

Happily, not everyone simply buys into the Apple lifestyle brand. Let's be clear – the iPhone is lovely, but it's not the best at everything, and it's overpriced. Motorola, once huge players in the phone game, attempt to step back into the big league with this slimline treat, although we don't think they'll make too much of a dent in the Apple/HTC hegemony to be honest. There's much to like about the Razr (although not it's name) – only 7mm thick, a cracking display, light but tough. But there are also problems – the OS doesn't measure up to the iPhone or the latest Android efforts and slimness aside it's just too damn big.
Pros: Pocket friendly slimness and a great screen.
Cons: For this money, there are better options.

Elonex 705EB
£129
www.elonex.com

Oh dear. Elonex make some fine stuff, but this isn't their finest hour. The problem? They seemingly couldn't decide if this should be an e-reader or a tablet and in the end they've made something that isn't much good as either. It costs quite a bit more than a Kindle, so you'd expect more features – FM radio, video player – but none of these extra features cuts the mustard. Why would you play video on something that only stores 4GB of the stuff, and doesn't even offer 720p? And why would you opt for a reader that hasn't got a cutting-edge display? Back to the drawing board.
Pros: Can store more books than you'll ever read.
Cons: But can't really store any video. ♣

It's a nice little unit, well polished and with a couple of knobs that we can't wait to twiddle. Hold on, even we're not sure if we're talking about Chelsea French or her range cooker. Let's start again...

"Oh do shut up, boys," purrs the foxy Brit. "We're only in the kitchen because I'm having some work done in the lounge. I'm not about to cook anything for you."

Oh, that's a shame.

"Would you rather I was chopping veg or spreading my pussy wide open for you, before wetting a finger and rubbing on my clit until I cream all over you?"

Well, now you put it like that... ♣

Tiffany wants you to vote with your loads...

Tiffany made a very strong showing in our Girl of the Year vote (the delay in the result of which we can only apologise for), and the editor would like her to know that if the amount of sperm he'd shot in her honour was any guide, she's have done even better. Unfortunately, it runs on votes, not on seminal fluid, which we might have to look at for next year.

"Well, I'm happy to be in the top ten," Tiffany says down the phone from L.A., "but that's not why I do this."

So why do you do this?

"So that people like your editor will shoot their sperm for me, what else? I mean, damn, I do these photos to get guys to jerk off over me. What other reason is there? Votes are all well and good, but a guy holding his hard cock and thinking about you is the ultimate!" ♣

READER'S GIRLFRIEND

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email clubint@paulraymond.com). If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Louise **AGE:** 23
FAVE SEX: Oral sex – both ways.
WHAT'S SHE LIKE? Quiet at first, but warms up quickly.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I can't wait to see myself in a magazine, it's a dream come true.

SO YOU WANT TO BE A MODEL?

Not really, it's just one of those things I wanted to tick off. It's more important to me that all the *Club* readers get hard over my snaps.

WE DON'T THINK YOU'LL BE DISAPPOINTED.

I hope not. Can I get any letters that you get through? I love wanking to erotic fiction, and I think wanking over dirty letters from *Club* readers will be much hotter and hornier.

HAPPILY, BUT SOME OF OUR READERS ALSO SEND PICTURES IN...

Ooh, I don't mind that. A dirty letter and a picture of a cock, what's not to like?

WON'T YOUR BOYFRIEND BE JEALOUS?

Tough luck! He got me into reading *Club* in the first place, so he'll have to live with me flicking one off to some naughty letters! ♣

BETH ON THE BEVVY

My boyfriend Craig and I recently started going out on double dates with his work mate Ross and his wife Jenny. They're a pretty wild couple and often shock me with their openness about their sex life. Don't get me wrong, it's not that I was a prude exactly, it's just that I'm a lot more shy and quiet than they are. But the other night I found out just how crazy they really are.

We'd been to the pub for the evening and as usual the others had had far more to drink than me. By the time we left the bar, Ross and Jenny were in high spirits and wanted to continue the night back at their house. I reluctantly agreed because Craig was so up for it and the alcohol was soon flowing again. Ross seemed keen to get me drunk and forced me to have a massive glass of whisky. I'm not a big drinker and as I sipped away I could feel my head beginning to spin.

It wasn't long before the music was turned on and Jenny pulled Craig to his feet to dance. At first I didn't take much notice but as the song continued I realised their movements were a little too close for my liking. I couldn't decide whether I was overreacting because of my drunkenness but Jenny definitely had her hands on my boyfriend's bum and was grinding herself against his body in time to the music. Craig was lapping up the attention and looked oblivious to the fact that Jenny's husband and I were even in the room.

I shot an uncomfortable look at Ross but he just grinned back at me and asked if I wanted to dance as well. I shook my head but I didn't have a choice because he grabbed hold of me and dragged me on to the floor. He threw his arms around my waist and pulled me towards him, thrusting his hips to the rhythm of the music. I tried to squirm free but his grip was too powerful. I caught a glimpse of Craig who was now stroking Jenny's hair and I managed to break free from Ross. "What the hell do you think you're doing," I stuttered to my boyfriend but Ross shut me up by planting a kiss on my lips. I was absolutely stunned and struggled for breath as he plunged his tongue in and out of my mouth. Ross held my head still with both hands and continued to explore my mouth. When he eventually released me I discovered Craig and Jenny had tumbled onto the settee and were openly snogging. Craig's hands were already up Jenny's skirt and to my horror I could tell he was

“My thighs wide open, she began kissing her way up towards my fanny”

enthusiastically fingering her pussy.

I was about to drag them apart when I was thrown to the floor by Ross. “Oh come on Beth, it’s about time you loosened up. You don’t know what you’re missing,” he said, smothering me again with kisses. I fought hard to escape, wriggling under his weight but I was pinned down and I knew Ross wasn’t going to stop until he’d got what he wanted. As I squirmed around, trying to unlock myself from his grip, a bolt of excitement shot through my body. I felt so vulnerable against the power of such a big strong man and as weird as it sounds now, it actually gave me quite a kick.

For the first time I started kissing him back, moving my tongue against his and breathing his manly smell. Ross was overcome with excitement and keeping my arms pinned to the floor, began tearing down my top with his teeth. He started sucking hard on my big brown nipples and as he did I looked towards Craig and Jenny. They’d stopped what they’d been doing and were now watching Ross working on me. I couldn’t believe what I was doing, allowing another man to play with me in front of my boyfriend but it aroused me beyond belief.

Just as I was really getting into it, Ross switched positions and Craig moved towards me. The pair of them knelt on either side of my body and pinned down my arms. “Go on Jenny, eat her out,” moaned Craig. He’d always wanted me to go with another woman and the whole thing suddenly made sense to me. He’d set up the evening to persuade me to give it a go. My chest pounded with nerves as the two men held me down and Jenny came towards me. She knelt between my legs and quickly tore down my knickers before I had a chance to do anything about it.

She tried to open up my legs to give her access to my trembling cunt and instinctively I fought against her, clenching my knees together. But the men helped out, grabbing hold of my knees to pull them wide apart.

I was dizzy with disbelief, I’d never had a lesbian experience before and wasn’t so sure I wanted to try it, but I had no choice. Jenny

seemed to know exactly what she was doing and with my thighs wide open she began kissing her way up towards my fanny. As her mouth made its way up my inner thigh, my whole body shuddered in delight. It was the strangest feeling but I have to admit the situation was beginning to make me hornier than I'd ever been before. I liked the idea of being the victim who everyone wanted to be fucked and for effect I wriggled around pretending to want to break free. In seconds Jenny's soft lips were working on my hot pussy, gently kissing my pink labia. Then, she stepped up a gear and with both hands pulled apart my fat juicy lips, opening up my fanny for everyone to see.

The men bent forward to get an eyeful of my snatch and Ross groaned in approval as he saw my bushy cunt for the first time. Jenny thrust her head towards my private parts and began licking away furiously at my clit. The sensation was absolutely mind-blowing and I couldn't help the moan that escaped from my lips. "Good girl," whispered Craig, still pinning down my arms and legs, "I knew you'd like it." The sight of Jenny's face buried in my fanny made me so hot and as I whimpered in pleasure I felt Ross releasing me from his grip.

He knew I was enjoying it and wasn't about to struggle free and was now unzipping his trousers. I turned to see what he was doing and he pushed his thick cock in my mouth. I gagged on the sheer size of it at first as it bumped against the back of my throat. But soon I was sucking away merrily as Jenny continued to pleasure me down below. I felt like such a dirty bitch, fucking Ross' cock with my mouth while his wife ate out my cunt.

Craig must have been desperate to get his own prick working and positioned himself behind Jenny as she continued ramming her finger up my pussy-hole and nibbling on my swollen clit. She was on all fours while she worked, her arse stuck up in the air. Craig loves it doggy-style and I knew exactly what he was going to do. He tore down Jenny's panties and lined his cock up with her snatch before ramming it into her This made Jenny scream in sluttish delight and as he fed his dick into her she bucked back hard against his thrusts. The whole situation driving me closer and closer to an orgasm and I could tell from the way Ross' prick was twitching that he too was about to shoot his load.

> **"I managed to gulp down a mouthful as he milked his balls empty of hot spunk"**

I was forced to release his cock from my mouth as my climax rocked through my body and Ross finished off his pleasure by wanking his dick hard. While I moaned in ecstasy, he fired streams of sticky spunk all over my tits and face. I managed to gulp down one mouthful as he milked his balls empty of hot spunk. I glanced down between my legs to see what my boyfriend was doing to Jenny, who had now finished her pussy eating. She was still bent over my snatch as she panted in delight while Craig shafted her hard from behind. As his movements jerked to an orgasm, Jenny reached between her legs to scrabble away at her clit and brought herself off. Craig didn't stop pounding at Jenny's cunt until he'd fired every drop of cream deep into her.

The four of us collapsed on the floor in a state of sexual exhaustion but it wasn't long before Jenny and Ross were at it again. As you can imagine I've opened up a lot more with Jenny and Ross – in more ways than one!

COUGAR CLUB

I divorced less than a year after my girlfriend Charlotte, but she'd already found the secret to satisfaction – fucking guys in their twenties. We're both gym-fit women in our late thirties, in the market for fun, no-bullshit sex. Most times we prowl in pairs, then go our separate ways when we find a man each. Then, one night, we set our sights on the same bloke.

Mark was in his early twenties, buff but with

kind of a puppy dog look – as in, sitting up and begging for us to take him home and fuck his brains out! We gave him a little taster in the cab home, Charlotte snogging with him and guiding his hands all over her tits as I rubbed the crotch of his jeans. I didn't unzip him – just let his stiffy strain up against my fingers. Back home we teased him again, stripping him only to dump him in an armchair, while we got naked and kissed on the couch. But, as he started to masturbate, Charlotte snapped at him, "Who told you to play with yourself?"

He stopped immediately – and clearly liked her playing the bossy bitch. But we didn't torment him for too long. We got him on the sofa with us, just one big tangle of limbs and tongues, kissing and stroking, fingers pumping in or around whichever dick or wet hole they found first.

Charlotte straddled his knees, sliding down his thighs to rub herself against his crotch. He wasn't inside of her yet, just writhing as her pussy drenched his cock and balls. I reached in between them, grabbing his slick tool, wanking him, then slipping his helmet inside of her. One by one I uncurled my fingers, then let him in right to his nuts.

He started humping and she fucked him right back – I could see her clench hard around him, yanking on his meat. He grabbed her arse, splaying her cheeks as he sucked hard on a nipple. I took the other one in my mouth and together we got her cumming hard around his meat. Then all she could do was hold on tight as he pounded her snatch and blew a load in it.

I ate her, swallowing the spunk, seeing how quick I could get him hard again. As his dick stirred I shoved him back on the couch, helping myself to a mouthful. He let me get on top, then suddenly flipped me over, pulling my legs up and back.

He shagged me hard, cock nailing me to the hide cushions, his nuts heavy against my cheeks. Charlotte settled by my head, frigging herself over my face, giving Mark a view of her puffy snatch. He put his entire body into ploughing me, feeling me cum around his cock. Then he blasted his jizz into my cunt.

We fucked the guy to exhaustion and still found the energy to eat each other goodnight. Next morning he seemed a little fuck-struck, asking for our phone numbers. Charlotte said, "Of course. And be sure to give them to your mates, too." Well, if it gets us even more action, why not?

POPSHOT CULTURE!

THE WORLD OF PORNOGRAPHY AND DIGITAL MEDIA IS ONCE AGAIN SCRUTINIZED AND THEN MASTURBATED AT, BY VETERAN PORNPERT (PORN EXPERT) MATT SANDERS...

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

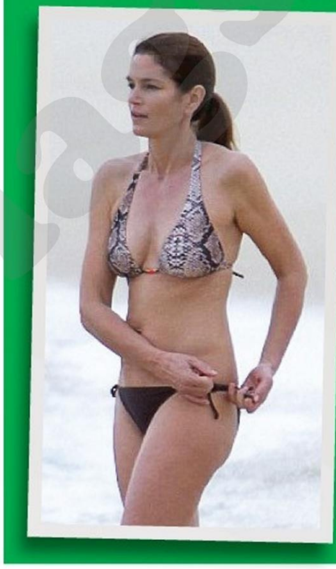
No. 19 – Danni Ashe

Whilst not exactly a porn star (no hardcore on record) Danni Ashe was an incredibly popular softcore model in the 1990s, as well as a stripper. Her natural, 32FF boobs made her a big name in the mag market, and she got on board with the internet porn boom right at the start, creating her own website back in 1995, which is the internet equivalent of when the monkeys first started walking on land in human evolution terms. Ashe's website, *Danni.com*, was a huge hit and she formed the company Danni's Hard Drive, which went on to make her a millionaire a good few times over. On top of that, it was reported that her image was one of the most downloaded on the internet, with over a billion downloads credited to her by the year 2001. Not quite sure how they worked that out, but hey ho. Anyway, Danni sold the company in 2004, pocketing a wodge of dosh and never baring those bazoomas on camera again. But as a success story not just as an adult performer, but internet businessgal, she's up there at the top of the tree, looking down at the rest of us and laughing. Laughing and fondling her big lovely boobs.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?
THIS MONTH: Cindy Crawford

Cynthia Ann Crawford is 45-years-old now. For any man-of-a-certain-age who knocked one out to her supermodel photos of the late 80s/early 90s, that will be some scary news right there. Nothing like knowing someone we used to crack one out to (remember guys, this was before fucking broadband/free porn/hardcore was readily available in the UK, okay?) is heading toward the big 5-0 and you're not far behind. Yikes. Anyway, she's still keeping herself in trim, but we're starting to suspect that famous beauty spot might need trimming once in a while, and her much-loved curves are going a bit soft at the edges. What? I'M being the asshole? HEY! I'm getting old and falling apart right here, and I bet you a gajillion pounds she'd say worse about me if she saw my flabby butt. So SCREW YOU! SCREW ALL OF YOU! (Don't worry, everyone, Mr Sanders just needs a rest. Normal service will resume next issue – Ed.)

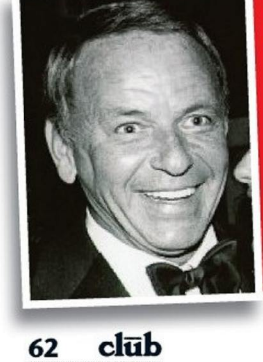


NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

OL' BLUE MOVIE EYES

It would seem that Rat Pack legend Frank Sinatra was once persuaded (for the grand sum of $100) to appear in a XXX movie, if his new biographer has got his facts straight. The 1934 skinflick, titled *The Masked Bandit*, sees a 19-year-old pre-fame Sinatra wearing a mask and frolicking with a couple of nude birds. His Rat Pack pals (Sammi Davis Jr, Peter Lawford and Dean Martin, principally) used to tease him about it, until they remembered just how well "connected" Frank was, and shut their yaps. However, no-one alive today claims to have seen it, and there's a chance it was invented by playful Lawford. Guess we'll never know if Frank was spreading the smoos.



GREY AREA

Parents of children at California's Emerson Elementary School did all kinds of complaining to the board when they learned that utterly no-holds-barred ex-pornstar Sasha Grey (her of *The Girlfriend Experience*/*Entourage*/Eminem video mainstream-courtship) read to their kids last month. "They could not find a fireman or a police officer?" asked one parent. "They had to get a porn star?" Outrage ensued, especially when video footage from the reading was leaked onto YouTube (it's actually very sweet – she's clearly a lovely gal) although some parents weren't as bothered as others: "It doesn't bother me as long as she wasn't revealing a whole lot of anything. She was properly dressed," said one child's mother, who asked not to be identified.

THE BIT ABOUT BABES WHO LOVE TO BLOG…

Sass. That's the word that sums up Joanna Angel. She's got bags of sass, this Brooklyn-born Jewish porn minx. And funbags too. Sassy funbags. She's clearly a smartypants – as well as starring in mucky films, she directs and writes them too, and puts 'em out through her alt.porn website *BurningAngel*, which is a huge hit. As well as all this, she writes for trendy mags like *Spin*, appears in trendy Adult Swim sitcoms like *Children's Hospital*, and was named last year by CNBC as one of the 12 most popular porn stars in the world. And the good news is, you can be one of her "lovers" (as she calls us) who follower her on Twitter. And that's where you can get a screenful of her renowned sass (which you may recall was mentioned earlier). Here are some examples:

"Man, it is really hard to book a gangbang when you're hanging out with your family."

"Is there anything I can do to get back those past 5 minutes of my life which were spent watching Nickelback? Blech."

"I don't understand why some girls don't like sucking dick. It's such a rad activity."

"Yo! @BarackObama ... I just saw you and your motorcade going to opposite direction of me on the 405. You've got a sweet entourage!!"

You can follow sass-mouth Jenna at *www.twitter.com/JoannaAngel*, and become one of the 90,000 "lovers" out there. Go on, you shouldn't need telling twice. Off you pop.

Top Five…

Celebrity Playmates

The hottest stars to grace the pages of poncey wank mag Playboy…

5: Erika Eleniak
Star of not only *Baywatch* but also *Under Siege* (you know, the one with Steven Seagal on the train and the one where she pops out of the cake), Erika is fondly remembered for her lush, pointy tits. Sorry, not for her thespy skills.

4: Bettie Page
The bondage pin-up of some notoriety, happy-go-lucky Bettie once graced the pages of Hef's dutty magazine, and for once wasn't strung up whilst doing so.

3: Jenny McCarthy
Blonde, titted, gobby, Jenny was Playmate of the Year waaaaaay back in 1993, when I imagine some of you weren't old enough to wank. Those of us who were old enough wanked to the likes of Jenny.

2: Pamela Anderson
Blonder, tittier, but marginally less gobby than Jenny McCarthy, Pam was also of the *Baywatch* School of Dramatic Acting, and invented leaked sex tapes (sort of).

1: Marilyn Monroe
The blondest of them all, Marilyn graced the cover of the first ever ish of *Playboy*, back in 1953 (the photo itself was taken in 1949). You got to see her famous boobs.

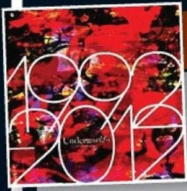
ALBUM REVIEWS



UNDERWORLD

The Anthology 1992 – 2012 (Cooking Vinyl)

They made the greatest anthem of all time and will be fondly thought of by fuck heads the world over for donkey's years. *Born Slippy* is, of course, here – but there's so much more. *Rez*, *Cowgirl*, *Pearls Girl* – 3 CDs of banging techno. Thanks for the tunes lads – it wouldn't have been the same without them.

LEONARD COHEN

Old Ideas (Columbia)

Old Len's gigs have always been fruitful for GILF hunters and Great GILF hunters – they simply love the old boy's charm and at 77 years of age, he must still have plenty of lead left in his pencil. Charming songs, a truly fascinating voice – even the oldest of the old girls will be moist for this one.

ENTER SHIKARI

A Flash Flood Of Colour (Pias)

This is the album to crack out if your new lady friend is into bondage and S&M – completely crazy, totally bonkers – just how she likes it. Get the PVC gear out, tie her hands behind her back, turn this on loud, and then let battle commence.

GUIDED BY VOICES

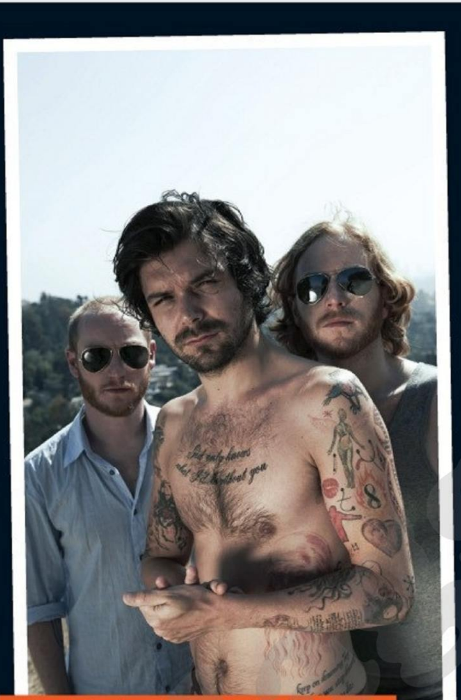
Let's Go Eat The Factory (Fire Records)

You probably have to be a yank to truly love this record – with song titles such as *The Unsinkable Fats Domino* and *Doughnut For A Snowman* – it does seem to test your patience after a bit.

AIR

Le Voyage Dans La Lune (Virgin)

When Air released *Moon Safari* in 1998 and *Sexy Boy* was all over the telly, they were great. For some reason, they went boring and released a load of stuff that you couldn't take drugs to and you couldn't have on in the background whilst drilling a young lady. This is more of the boring stuff, sadly.



STIFFY CLYRO

Club goes retrospective with an old school interview with Scottish legends Biffy Clyro, conducted at the Leicester Charlotte back in March 2001…

Do people take the piss out of you for being ginger?

Not until now, no!

Do you do any fishing?

I used to be a fisher, aye, I used to quite enjoy it. What a strange question!

Being in a band, do you get plenty of girls wanting to suck your dick?

Not really, we're a bit lazy like that. We're on tour as support to the Llama Farmers, so it's the Llama Farmers cocks that are getting sucked the most.

Describe your ideal woman.

Angelina Jolie mixed with Veronica from *Mayfair*.

Do you carry a lot of porn on the tour bus?

We just bought one today. I won the jackpot on one of the machines so I treated myself to a porno.

If you could shag in the back of a car, what car would it be?

A Volkswagen Caravelle – 'cos I've got one.

Not a Golf GTI?

No, definitely not – that's not big enough. I've got a nice big Caravelle. It was my Dad's and then it started getting really shit and so he gave it to us. Every time you put your foot on the brake, the engine kind of stops. So you have to try and go places where you don't need to slow down much.

How's the tour going?

Good. We've got a few days off and then it's off to London.

Is playing in London the same as playing at other places?

No, it's different. They are all spoiled for choice down there so they don't really care.

Do you like rugby jocks?

Nah, I hate them. Especially when they are at the bar and there's 400 of them and you can't get a drink!

Have you ever been mugged when you were younger?

Aye. We were on the bus on the way home from school and this guy stole some money from me. I went and found my Dad and we went and found the guy and got the money back. But that's all – I haven't really been beaten up or anything like that.

Although I used to get mugged in Kilmarnock all the time – it's a wee bit rough up there and folk will come and stab you for money. And you don't wanna get stabbed, so you just give them a pound. And that's all you need – just a pound!

If you got run over by a big red bus tonight, how would you like to be remembered ?

As stoners. Scottish stoners.

Do you ever wear kilts?

Every other day. One week it's Monday, Wednesday, Friday. Then the next week it's Tuesday, Thursday, Saturday.

Do you wear anything underneath it?

Nah! Just my nuts.

Revolutions // Live At Wembley is out now on Warners.

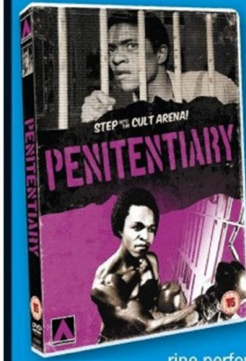
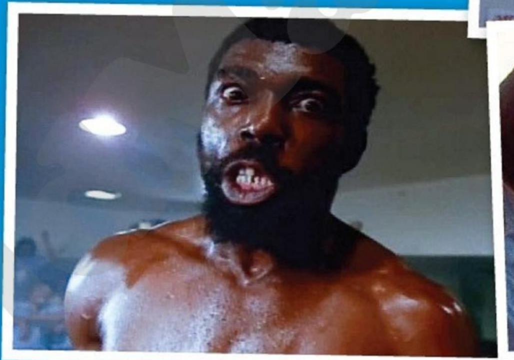
RATINGS: ★ POLL (TAX) ★★ DOLE ★★★ GRASSY KNOLL ★★★★ SAUSAGE ROLL ★★★★★ TROLL

Penitentiary

(ArrowDrome, £5.99)

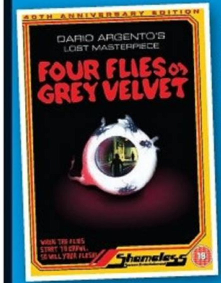


Being called 'Too Sweet' in prison doesn't sound like the best thing in the world, but Martel Gordone gets that name from his love of chocolate after he's locked up for his involvement in the death of a biker. What follows is a classic, sweaty prison movie with splashes of Blaxploitation and some ripe performances. It spawned sequels galore, and ArrowDrome generously package *Penitentiary II* among the extras. Tell your missus it's just like *The Shawshank Redemption* and then watch her jaw drop. ★★★



Four Flies on Grey Velvet

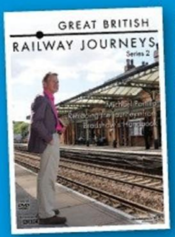
(Shameless Screen Entertainment, DVD £15.99 Blu-ray £24.99)



The last couple of years have seen much care and attention lavished on the work of Giallo auteur Dario Argento, but *Four Flies…* has always been something of a lost classic. It hasn't been available at home since VHS days, so it's a real treat to delve into a HD restoration, complete with Morricone score. Michael Brandon stars as a rock drummer who accidentally murders a man stalking him and descends into paranoia when the killing is witnessed by a mysterious masked man. In the grand scheme of things, it's minor Argento, but still more than deserving of a place on your shelves. ★★★

Great British Railway Journeys: Series 2

(Fremantle Media Enterprises, DVD £39.99)



You don't have to be a trainspotter to enjoy the joys of a nice railway journey. But you do have to be able to tolerate Michael Portillo to enjoy this 5 disc box set. He's actually an affable host, passing on his passion as he retraces 5 journeys from his 1860's copy of *Bradshaw's Railway Handbook*. But what we'd like to know is why Portillo and his ilk have done nothing but bad things to the railways in the past 30 years. ★★★

Fremantle have 2 DVD box sets of Great British Railway Journey: Series 2 to give away. Book your ticket for it by emailing clubint@paulraymond.com or writing to us with 'Oh, Doctor Beeching' as the subject.

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

SHOWER PLOUGHER!

I love really rude sex and lots of it. I'm not happy unless I've had a really good orgasm (or three) before the end of the day… and I don't care how I get them. Just to show what a filthy girl I can be, I'll tell you about the other day when I woke-up feeling particularly horny and got my day's quota of orgasms before I set-off for work. My boyfriend knows what I'm like and wasn't surprised when I woke him-up by sucking on his cock. I love the feel of it swelling in my mouth as I tease it with my tongue and suck on it gently.

"Hmmm… I'm still sleepy," he complained as I swung my leg over and lowered my pussy onto his mouth. Well, his cock wasn't sleepy and his tongue certainly wasn't – by the time he spunked his load into my mouth, he'd brought me to a wonderful little orgasm that made my pussy sizzle like water dripping onto hot coals. That was a good start to the day. As I kissed him off to work, I was thinking that I might manage another little session before I had to leave. I thought about my sex toys and about taking one into the shower with me. My pussy tingled as I thought about the biggest one stretching me open.

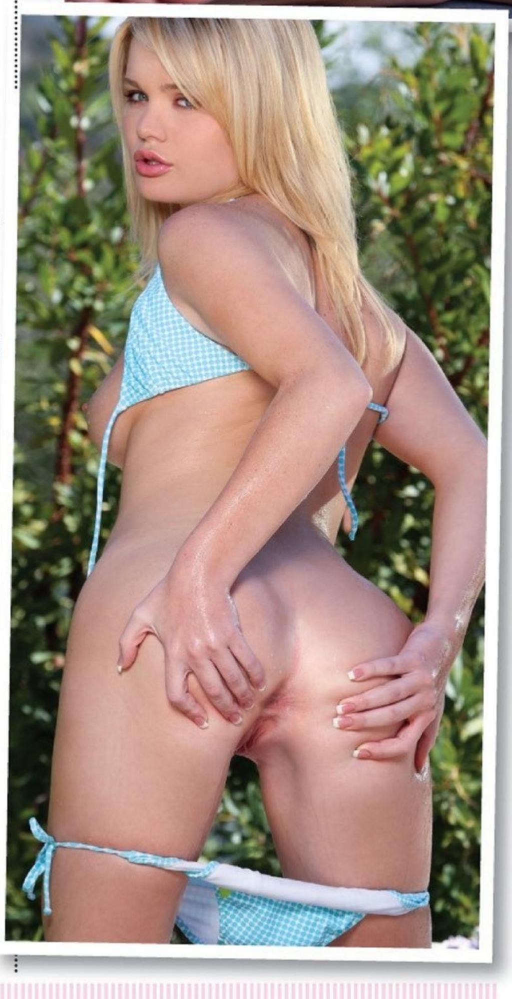
Once in the shower, I used the suction pad on its base to fasten it in place. It looks funny standing between my feet but the anticipation of the pleasure it can give me is absolutely delicious. I washed my hair and soaped myself thoroughly, concentrating on my soft slippery tits, pausing to pull on my sensitive nipples, before moving down between my legs. As I washed myself front and back I allowed my fingers to linger. I imagined crouching down over it, guiding it to my pussy and sinking down, impaling myself on the plastic treat, the vibrations making my every nerve fire in ecstasy.

My body was pulsing in anticipation as I dug a couple of fingers inside my pussy, but it was the one that wormed into my bum which gave me a real thrill. I only do anal as a special treat when I'm feeling extra naughty. As I looked down between my legs, I suddenly felt extra naughty. Just the thought of squeezing that monster into my arse was exciting enough to give a special edge to my next climax. It was powerful enough to make my legs wobble… but it wasn't enough to satisfy me.

Through the cold surge of an adrenaline rush, I could feel my need still smouldering. As I thought about that dildo digging into my bum, I felt the embers catch and the flames of desire rise anew. I didn't know whether it would work, but I was flooded with excitement as I decided that I was going to try! I had two slippery fingers in my bum as I squirted lotion onto the dildo. Rubbing my hand over its hard surface, I wondered at what I was trying: it was gigantic – perhaps I should start with something smaller? But even as I thought that, I was angling the tip of the lotion-lubed dildo onto my arsehole.

I was scared at what was going to happen as I transferred my weight from my thighs and let my bum sink ever lower. As I balanced breathlessly, my muscles burning with tension, I felt the slippery stretching of my sphincter indicating that it was losing its fight to keep this intruder at bay. I rubbed my clit, hornier than ever at the dirty thing I was doing to myself. As the stretching continued, realisation dawned that this might in fact be too much. I imagined the shame of hurting myself and having to admit what I'd been doing to my boyfriend: to an unsympathetic medic. With some reluctance, I raised my bum… and found that I couldn't. I was attached to the floor. The dildo was inside me, gripped tightly by the very muscles that had fought to keep it out – and the dildo was firmly fastened to the floor.

Excited fear filled my body as I imagined being trapped like this. Imagined being found with an enormous dildo ensconced in my bum. I began rubbing my clit even more furiously and heightened my pleasure by



“I had two slippery fingers in my bum as I squirted lotion onto the dildo”

tugging my bum up and down. It felt like I was bucking wildly on the dildo, but in reality I was just rocking back and forth a few millimetres. The combination of pleasures was intense and the juices were fairly pouring down my thighs as my clitoris started throbbing, threatening to explode. My bum was aching, stretched well beyond its normal dimensions, far beyond even what was needed to accommodate my boyfriend’s cock.

The blend of fear, excitement and physical pain and pleasure twisted into a complicated burst of elation as I made myself cum. I screamed out into the empty house as my body struggled to contain the mixture of intense feelings. It seemed to go on forever, each orgasmic wave firing ecstasy in my throbbing clit before a delicious echo of agony followed as the vice-like grip of my sphincter tightened on the dildo in my arse. Only gradually did the waves subside and I was left with a deep glow of sexual satisfaction.

I managed to extract the dildo from my reluctant rectum, took another quick shower and got ready for work. It was as I drove to work, relishing the throbbing of my abused bum that I remembered that I’d left the dildo standing erect in the shower. There was a stab of excitement as I wondered whether I’d have chance to move it before my boyfriend found it. Then a further stab of excitement as I wondered what he’d do to me if he did find it and ‘made’ me admit what I’d been doing with it. My pussy twitched again – I was going to have to sneak into the loo at work to diddle myself to a fourth orgasm at this rate; this was turning-out to be a very good day, even by my filthy standards!

THE ROUGH STUFF

To help pay my way through university I work in a pub a couple of shifts a week. It’s a fairly small bar on the outskirts of town and is one of those places where all the regulars know each other’s business. All kinds of people drink there, from solicitors to old farmers and it’s impossible not to get caught up in the village gossip when you’re pulling pints. It was in this pub that I first met Brad. I served him a pint on my second shift and he came across as a charming, intelligent executive-type. But there was something dodgy about Brad that I couldn’t quite put my finger on. He seemed too perfect, dressed in his immaculate suit with his smooth talk and I made a mission to find out more about him.

I soon found out that he was basically the village bastard. The pub gossips told me he was married but couldn’t keep his hands off the women and they warned me to keep clear of him if I knew what was best for me. Of course this just intrigued me further.

The rumours proved to be correct. As I got to know him better Brad started to drop rude comments into our conversations and when he slyly winked at me from behind the pumps my pussy tingled with excitement. It wasn’t long before I met his wife, who came looking for him one evening when he was really pissed and flirting outrageously with me over the bar. She gave me a wicked glare as she begged him to go home and I have to say I couldn’t blame her. But this didn’t stop me from picking up where we left off the next time I saw him.

For a long time Brad didn’t make a move on me, even though I was desperately wishing he would. I knew the locals were talking about us because our attraction was so blatant but I didn’t care. I used to go home

> “I was overcome with delight as I felt my tight muscles relaxing around his shaft”

and wank over the thought of being fucked by him and wondered what he'd be like in bed. Night after night I fantasised about shagging him in his wife's bed and the thought drove me to a swift orgasm every time.

Anyway, my wishes eventually came true after one long afternoon session in the bar. I was changing a barrel in the cellar when I heard a noise behind me. Somehow Brad had sneaked in and as I swung around to see who was there, he threw me against the wall. Pushing his weight against me, he pinned me to the wall and I could feel his cock rising into action. “God, I want to fuck your brains out,” he whispered in my ear, as he smothered me with a passionate kiss. His tongue plunged deep into my mouth and I gasped for breath in my surprise and excitement. But before I even had a chance to enjoy the snog properly he pulled away, teasingly. “Come round to my house after work and I'll finish what I've started,” he said, slipping his hand between my legs to rub against my juicy fanny. “My wife's gone out for the night and I promise I'll make you cum like you've never cum before.” With that he walked away, confident I'd accept the invitation. I was absolutely stunned by his sheer arrogance, yet for some reason I knew there was no way I could resist.

Somehow I managed to get through the rest of my shift and just before I was about to clock off, Brad finished his pint and left for home. My heart was racing and I could hardly make it to his front door for my anticipation. I had to check that no one was watching as I sneaked down the back alley and the secretiveness just added to the excitement. I tapped on the window and when there was no answer I tried the door. It was open and I nervously stepped inside. Before I'd even closed the door properly, Brad appeared from the darkness and again threw me against the wall. This time I was better prepared and kissed him back hard when he thrust his tongue in my mouth. His chest crushed my own and he ground his cock against my body as we ate away at each other's face.

I was so filled with lust that I thought I'd blackout and I was pleased to be pinned against the wall or I'd have probably fallen over. My other lovers had all been about the same age as me and were no comparison to Brad who had ten years extra experience.

He didn't say a word to me but began stripping off my clothes and didn't stop until I was completely naked. I stood there feeling slightly self-conscious and this seemed to arouse him even more. He grabbed my hand and put it on his cock, which was now stiff and desperate to get working. Then he tore off his own clothes and pressed his naked body against mine. He couldn't hold out any longer and pushed me roughly towards the living room where he promptly bent me over the back of the sofa.

I caught a glimpse of his wedding photo on the wall seconds before I felt his cock thrust into my tight little pussy and the reminder that he was a married man gave me an extra kick. His thick shaft plunged deep into my cunt and he drove it hard inside. I was soaking wet and was pleased for the lubrication as he began screwing the hell out of my tiny fanny. He fucked far harder than anyone I'd ever been with before and held me down while he did it – I absolutely loved every minute. I bucked back against his movements and he grabbed hold of my heavy swinging tits to keep his

balance as he rammed his prick into me. We went wild, fucking like animals and I hadn't realised before how great doggy-style can be.

But my pleasure was far from over. As he continued banging away at my fanny, I felt Brad's finger nudging against my virgin bumhole. I'd never been touched there before and the sensation was awesome. He spat on my arse and used his spit to lubricate my pink rose, teasing it until it relaxed enough for him to slip in a finger. I screamed in excitement as the shooting pain of being stretched open, turned to intense pleasure. I couldn't believe I had both my tight holes filled at once and I felt deliciously dirty with a finger up my bum. Suddenly Brad pulled out of my cunt and I gasped as he positioned his bell-end against my anus.

"I told you I'd make you cum like never before, didn't I?" he asked as he began easing his cock inside. At first I screamed for mercy "It won't fit," I begged, my bumhole burning with the sheer width of his prick. But then it sunk inside and I was overcome with sluttish delight as I felt my tight muscles relaxing around his shaft. He slowly rocked in and out and in seconds I was begging him to go harder. He didn't need any encouragement and started pounding at my tightest hole.

As I ground against his jerking body, I spotted an empty wine bottle on the floor. "Fuck my pussy with the bottle while you screw me," I whimpered. He did as I asked, moaning that he loved a dirty bitch and thrust the bottle-neck into my cunt. I took hold of the bottle and drove it deep into my pussy as Brad fed his cock into my arse. With both holes packed full, I began to climax and moaned loudly as I did. Brad grabbed hold of my hair and pulled it roughly as an enormous orgasm shook through my body.

I was just managing to get my breath back when he moaned he was ready to shoot his load. "I'm going to fill up your arsehole with my cream," he groaned and I felt my tight tunnel flood with his hot cream. When he eventually finished pumping his muck into my bum and pulled out of my anus, his spunk trickled out of my cavity and covered my thighs. I rubbed his sperm into my skin and licked my fingers dirtily.

I'd just pulled on my clothes when we heard his wife return home I sneaked out the back door and ran away home, my holes squelching with our combined come. Our fun has just begun. We fuck regularly now, and every time it gets dirtier, rougher and better. I'm even contemplating asking his wife to join us next time.

PADDLING DROOL! ♣

We go skinny-dipping with Adrienn...

www.allMags.net

Adrienn didn't get that killer, trim body just by having a high metabolism and eating pea shoots. No, she's a bit of a water baby.

"I swim every day," she tells us, "for lots of reasons. I keep fit, it clears my mind and I can zone out of life."

That's great, Adrienn. Do you know why we swim? So that we can put on goggles and stare at girls like you under the water in your tight swimming costumes. And yes, that's also why we've banned from our local baths... ♣

www.WorldMags.net

ADRIENN

What our well-placed moles are telling us this month...

Down The Wire

BEARDY WEIRDIES!

It goes without saying that the Amish are a walking, talking *Down the Wire* column, what with their silly beards and sillier beliefs. Or is it us that is silly? No, it's them. But, obviously worried that we'd forgotten about them now that *Witness* came out so long ago, they've got themselves back in the news in fine style. A breakaway group of Amish, led by Samuel Mullet (you couldn't make this up) have recently been charged with hate crimes after attacking fellow Amish in Ohio and cutting off their beards. Four of his children, three nephews, a son-in-law and others were also charged. Brian Blessed may have gone into hiding.

Gordon's alive! Me too!

REVENGE IS A DISH BEST SERVED OLD!

An Italian couple, identified only as Antonio C and Rosa C, are set to divorce after a mere 77 years of wedlock. Antonio, 99 and Rosa, 96, met in the 1930's when Antonio was a Carabinieri officer in Naples. They went on to live through two world wars, have five children and twelve grandchildren, so why are they divorcing now? It turns out Antonio, going through an old chest, found some letters between Rosa and a lover, dating back to the 1940's. So, yes, he's divorcing her for an affair of 70 years ago. The good news? The singles dating scene just got a whole lot sexier.

KEEP IT IN THE FAMILY!

We've all hired prostitutes to come to our hotel room – haven't we? Don't leave us hanging here! – but married father-of-three Titus Ncube from from Bulawayo, Zimbabwe, got a shock when he did exactly that. Experiencing marital problems, Ncube checked himself into a local hotel and decided to get his end away. Unfortunately the prostitute who turned up happened to be his daughter. No-one comes out of this looking good. "My marital problems are not over," Ncube later told reporters. You shit us not.

THE SOCKRAMENT!

You can rely on someone to see the face of Christ in something every few weeks – a tea towel, a potato… and now in a sock. Sarah Crane from Orpington, Kent, was doing her laundry when she saw a sock that appeared to show Jesus looking back at her. That's the Jesus of popular imagination, not the Jesus who, you know, probably wasn't white. Miss Crane – clearly not a nutjob, refreshingly – didn't get carried away, saying "We think it's a bit of a sign, but for what we don't know." It's not a sign, love, it's a sock. ♣

Looks more like Sock-rates to us!
